

LOANS AT CLONMEL CREDIT UNION

In any given year, we provide around 8,000 loans locally - we typically approve **97% of all loan applications** received.

Because we are local, we know local, and build a relationship with our members that lasts a lifetime.

We offer members the option of topping up their loan at any stage with one convenient repayment, or taking out separate loans for specific purposes as their needs change.

You can apply for a loan at each of our offices, online through www.clonmelcu.com, by calling our Loans Line at 1800 945 987 or by using our CCU Mobile App.

In fact, you can apply for a loan, get approval, digitally sign the agreement and have the funds delivered to your account totally online; no need to call in!

So, if you move away to college, to work or travel, you can do business with Clonmel Credit Union every time. Pure convenience! It's also good to know that there are no hidden charges, application fees or early repayment penalties. And as an extra benefit, your loan is insured by your Credit Union free of charge.

Your local Credit Union, investing in local, delivering great service, supporting people across South Tipperary and beyond.

Join us in the knowledge that, together as members, we create a brighter future for all our communities.
